Featuring *The Three Voices of Stan Simkins*

Imagine having Michael Crawford (Phantom of the Opera), Placido Domingo (I Pagliacci) and Gene Chandler (The Duke of Earl) all rolled into one singer!

The Three Voices of Stan Simkins will move you from the memory of your favorite Broadway melodies to the power of heart touching, operatic pieces.

Complete with memories of the 50s and 60s... when street corner groups belted out "those oldies, but goodies".

This will be a night to remember...
